Art Unit: 2822

The following is an examiner's statement of reasons for allowance: None of the prior art teaches or suggests a package or method of making including having a first and second chip each having an active and back side, the first and second chips having their active sides facing each other are electrically bonded together, a heat sink bonded to the back side of the second chip and a substrate having a first and second side the first side facing the active side of the first chip and electrically connected to the active side of the first chip by interconnects and the heat sink bonded to the second chip being part of the substrate, and encapsulating at least the chips and the interconnects.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Also, note that the abstract has been copied to a separate single sheet.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin M. Picardat whose telephone number is 571-272-1841. The examiner can normally be reached on Monday-Thursday 7:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Zandra Smith can be reached on 571-272-2429. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
